

Our
ap
Wedding

The image features a central graphic design on a light gray square background. The text "Our" is written in a dark gray, elegant cursive font at the top. Below it, the letters "ap" are rendered in a large, bold, sans-serif font, appearing as a watermark or background element. At the bottom, the word "Wedding" is written in a dark gray, flowing cursive font. The text is framed by decorative elements: a cluster of colorful flowers (yellow, blue, and pink) and green leaves at the top, and a similar arrangement of green leaves and small colorful dots at the bottom.
